

Conduct Guidelines

The guidelines set forth in this Code of Conduct are based on the By-Laws of Delaware Veterans Incorporated to maintain the highest possible standards of ethical conduct.

These guidelines will not provide an answer to every ethical problem that might arise; however, combined with some basic house rules, each member can apply his/her own good sense of personal ethics.

OFFENSES, WHICH WILL RESULT IN AUTOMATIC SUSPENSION AND/OR ULTIMATE DISMISSAL.

- A. Physical Violence to members and/or property.
Any physical contact such as fighting, pushing, slapping, throwing objects or deliberately damaging property will qualify as physical violence.
- B. Stealing.
Unauthorized removal of any post assets or those of members and guest while on Post property.
- C. Utilization and/or Selling of Illegal Drugs on Post property.

ABUSIVE LANGUAGE

Consideration of others who may not appreciate abusive language should be every member's responsibility. In a mixed crowd loud and abusive language is offensive and not acceptable. When politely warned by the Officers, Sergeant-at-Arms, bartenders, and/or another member, please have the courtesy to apologize and/or cease. Continued flagrant and persistent use of abusive language will result in being escorted out of the Post Home. Written reprimand or suspension will follow.

Authority of Bartenders

It is the bartender's responsibility to judiciously administer the Conduct Guidelines and House Rules, while on duty. This shall be done quietly, politely and in private so as to provide a minimum amount of embarrassment to the party involved. If openly confronted by the individual advise any elected officer present and deal with the situation as required.

A bartender may refuse to serve a customer if, in his/her opinion the customer has had enough to drink. Go thank the bartender the next day for doing you a service.
