

ATTENTION:

All Post
members:

Post dues for 2024 are now \$85.

Notices will be mailed out later in

December.

Please do not pay until Jan 2nd.

Membership committee.

It's that time of the year when we get to pay our dues for the next year. I would like to remind everybody that the club works on a fiscal year, which is the same as the calendar year. So the dues that are coming due are for the calendar fiscal year of 2024, so we would like to keep the dues payments in that calendar fiscal year. In other words, you cannot pay your dues before January 1 of 2024.

If you're paying your dues by check, you can return your dues envelope and notice with a check for your dues and put it in the dues box next to the bookcase in the Lounge. Your checks will not be processed until after the first of the year. You may also mail your dues payment using the envelope provided. The mailing address is 2535 Veterans Drive, Wilmington, DE 19810.

If you're paying by cash or by credit card, you will have to wait until after January 1. Please do not ask the bartender to ring in your dues before that, they will not process your dues payment until January 1st.

If you're paying your dues using a bill paying service, please indicate on your payment your name and membership number so we know who the check belongs to. If you ever dealt with bill paying services, the checks are very generic and a lot of times it does not have the required information on it that we could match the check to a member. So, if there is a memo line on your bill paying process, please use it.

Please return the dues notice with any changes of information especially email addresses and phone numbers. Also, if your address has changed, please indicate that. If there were no changes, please return that slip so we know your information on file is correct.

Any questions or issues about this, please contact me, either at the Post or by email at bmorris106@comcast.net.
